WHAT'S POSSIBLE ...

If every child was *set up for success* in school and life.

For every child a part of an out-of-school program, four more are waiting to experience that joy too. When a child has a safe place to thrive in and outside the classroom, the possibilities are endless. A gift to United Way connects over 400,000 individuals and families to the resources they need to thrive.

WHAT'S POSSIBLE ...

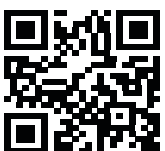

If every family could *overcome their financial hardships.*

**1 in 3 of our neighbors have limited resources to meet their basic needs.**

When a family's basic needs are met, the possibilities are endless.
