

VOLUNTEER

GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED

Recently employees at IEC Electronics of Newark, N.Y. provided a great example of what it means to Live United. Employees faced off against the IEC Leadership Team in a Bowl-A-Thon to win paid time off and raise money for the United Way of Wayne County. Over 73 employees and family members participated in this year's event, raising over \$1,000 towards the company's \$16,000 campaign goal.

"It was a great day for IEC Employees; Our Bowl-A-Thon is now in its third consecutive year, and each year the participation level increases." said Tina DeVey, the Director of Human Resources.

The Bowl-A-Thon, is just one of many fund raising activities the Company has planned. A Garage Sale, Management Dunk Tank, Basket Raffles, Hot Dog Roast and Management Car wash are among the many to raise funds for IEC's Annual

United Way Campaign.

Devey states, "Giving back to the community and helping people of all walks of life is very gratifying, and employees get the added benefit of having some fun along the way. During these tough economic times it's important that everyone get involved in Workplace Campaigns to get the message out. We face tremendous challenges in our community and our Leadership Team and employees feel fortunate to be in a position to give back to our community."

The team continues to come up with creative ways for employees to contribute and actively participate in our campaign. Mrs. DeVey adds, "We're proud to have a long history of contributing to our community through the United Way. Our employees have always been generous, and this year we are driving hard to exceed our United Way goal."

**When we all work together, we can make change happen.
Together, when we LIVE UNITED, we can make a real difference.**
