

2018 TOCQUEVILLE SOCIETY

George Eastman had a vision for a thriving community when he founded what we know today as United Way of Greater Rochester. A century later, the support of hundreds of businesses and thousands of people is making that dream come true.

United Way's Tocqueville Society comprises donors who invest \$10,000 or more annually. The Society is named after Alexis de Tocqueville who praised our country's spirit of volunteerism and philanthropy. As United Way's premier giving society, Tocqueville connects the investments of Rochester's most philanthropic leaders to help our community thrive.
