

2019 LEADERS UNITED

Together, we harness the power of collective giving with more than 50,000 local people raising their hands, opening their hearts, sharing resources and doing their part to support a thriving community.

Thank you to the following United Way Leaders United members for investing millions of dollars each year to help United Way solve some of our most critical challenges. Leaders United members are the most generous, community-minded and influential individuals throughout the Greater Rochester region. Members of Leaders United and the leadership giving networks generously give \$1,000 (\$500 for Emerging Leaders Society) or more each year to build a stronger, greater Rochester with United Way.
