

## 2020 LEADERS UNITED

Never before has the power of our collective giving been more evident than during this past year. Together, we are supporting a stronger community 365 days a year and in times of unexpected crisis.

Thank you to the following United Way Leaders United members for investing millions of dollars each year to help United Way solve some of our most critical challenges. Leaders United members are the most generous, community-minded and influential individuals throughout the Greater Rochester region. Members of Leaders United and the leadership giving networks generously give \$1,000 (\$500 for Emerging Leaders Society) or more each year to build a stronger, greater Rochester with United Way.
