

2018 EMERGING LEADERS

George Eastman had a vision for a thriving community when he founded what we know today as United Way of Greater Rochester. A century later, the support of hundreds of businesses and thousands of people is making that dream come true.

Thank you to the following donors who connect with United Way's Emerging Leaders Society (EL) through their gift of \$500 or more each year. EL is made up of hundreds of Rochester's most inspiring, proactive emerging leaders who are dedicated to making a difference with United Way—in giving back and looking forward to a community where everyone can thrive.
