

# Creating Impact at Every Level

United Way's Community Impact Fund invests in 80 local program partners aimed at addressing the most pressing challenges in our community. Every Community Impact Fund donation will support critical programs and address complex social challenges to improve Health, Education and Economic Mobility for people throughout our local community. See how your gift can help build a stronger, greater Rochester for all.

**\$1**  
a week

## Round-trip transportation service for local older adults

Help a local older adult take two round-trip outings to get safely to medical appointments, grocery shopping, social events and more.

## Therapy sessions for new moms

Provide two in-home, evidence-based therapy sessions to address and overcome maternal depression, helping to create a more positive, nurturing environment for their babies.

**\$2**  
a week

## After-school fun—and learning!—for local kids

Give a local child one week of after-school learning—disguised as fun! Kids enjoy science projects, book clubs, healthy meals and snacks, community service and fitness activities.

## Help with income tax prep

Help three families with income tax preparation assistance to claim earned income tax credits, as well as, access to bank accounts, help understanding credit reports and connecting to credit repair services to work toward financial stability.

**\$5**  
a week

## Nutritious meals for local homebound older adults

Provide 40 meals delivered right to the door of local older adults and people with disabilities. Meal deliveries come with warm greetings and a friendly check-in to help people stay safe and independent in their own homes.

## Shelter to a family suffering with domestic violence challenges

Give a family of three a safe place to stay for five days, free from violence and abuse. Shelter programs provide counseling and relocation services to help vulnerable families.

**\$10**  
a week

## Mentoring for local teens

Give four months of mentoring for local pre-teens and teenagers to support academic excellence, positive relationships and success later in life.

## Evidence-based therapy sessions for local children

Give 20 weeks of evidence-based therapy to help kids and their parents or caregivers go through the healing process by addressing and learning strategies to cope with traumatic experiences.

**\$20**  
a week

## Food for hungry families

Give 3,000 meals to individuals and families who don't have enough to eat at home.

## Credit counseling for low-income people

Give two people support with professional, one-on-one financial counseling focused on achieving financial goals, building wealth and improving economic mobility.
